In sincere appreciation of the time, effort, and interest she has shown the school and to one whom we all love and appreciate, who has understood, encouraged, and guided us through all the years, we, the Senior Class of 1959 do proudly dedicate this edition of our yearbook, THE ODELL MILESTONES, to
MISS ELSIE JOHNSTON.

Coming to School

Foreword

We on the yearbook staffs sincerely hope that the 1959 ODELL MILESTONES will help you relive your high school days. Many years from now you will leaf through this yearbook and recall various experiences in school. Many of them will be brought to life by the sight of an old friend's face. We also hope that it will bind you closer to your present friends, that they may not be forgotten later on.

We would like to thank all the faculty, students, friends and also Mrs. Morrison and our advertisers who helped us to make this book possible.

Now we present to you, students and faculty of Odell, your 1959 Yearbook.

Cheerleaders

Class Poem

We, the Seniors of Odell High, have waited long,
As does every class in every school.
We've tried to learn the right from the wrong.
We've tried to abide by the golden rule.

And so a tribute to our teachers we'll pay.
We thank you for all the things you've done,
You watched us day after weary day.
We know that for you it hasn't been fun.

To our parents who have kept us from doing wrong,
We leave all of our gratitude to you.
It's been a hard struggle all along,
But you've always been there to see us through.

And to a man who gave us a chance,
And who is the wisest of them all,
To you, Mr. Mitchell, we give our thanks
For keeping us on the ball.

A word of wisdom we leave to those behind.
Always stay honest, thoughtful and true,
And we are sure that you'll always find
That you will always come shining through.

The road of life is hard to climb,
And sometimes we may stumble along.
Often it may seem that it's not worth a dime,
But we'll remember the right and the wrong.

Class History

That bright August morning in 1947, all the children with either amazement or tears smeared over their faces, was this year's graduating class only beginning. Some of these make-believe mothers who wrote "I love you, do you love me?" turned out to be the dates of the he-man boys that answered "Yes." Through the years we continued to grow, not only physically, but mentally and spiritually as well.

As school opened in 1955, 63 students made up the second largest class to enter high school. Through the guidance of Miss Carolyn Johnson and Mrs. Mildred Turbyfill, we chose our class officers. Bobby Cope was elected president; Priscilla Wilkinson, vice president; Iris Thomas, secretary; and Eddie Ballard, treasurer. Jerry Irvin was chosen high school king and Eunice Miller was the only freshman chosen as cheerleader. The spring of that year we took an over-night trip to Raleigh and Durham.

With another year behind us, we became sophomores, under the leadership of Mrs. Estelle Mott and Mrs. Florence Rucker. Again, Bobby Cope was elected president of our class and Priscilla Wilkinson, vice president; Sidney Tucker served as secretary and Linda Winecoff, treasurer. This year the band marched in the Carolina's Carrousel in Charlotte with the aid of fourteen eager tenth graders. Four girls and four boys were on the basketball teams and were all lettered into the Monogram Club at the end of the year. Pat Ervin and Priscilla Wilkinson were chosen as cheerleaders, with Eunice Miller as co-chief of the group.

We began one of the biggest steps of our high school career as juniors, with our path being guided by a new principal, Mr. J. B. Mitchell. Mrs. Lucille H. Daniel and Mrs. Carolyn Johnson Williams were our class advisors. To lead our many activities we elected Sidney Tucker as our class president; Priscilla Wilkinson, vice president; and Bobby Cope, secretary-treasurer. Shortly after the first six-weeks of school the new members were tapped into the Beta Club. They were: Susan Poston, Brenda Benton, Jerry Irvin, Jane Carriker, Jane Irvin, Priscilla Wilkinson, Linda Winecoff, Madalene Fisher, Joye Hudson, Louvina Barbee, Bobby Cope, Eddie Ballard, Patsy Floyd, Hope Hinson, and Susie Smith. For our junior play we chose "For Pete's Sake" with Mrs. Carolyn Williams directing. The cast consisted of 12 members. These were: Eddie Ballard, Monty Laney, Louvina Barbee, Brenda Benton, Billie Smith, Suzan Babb, Brad Patterson, Roy Kee, Susan Poston, Hope Hinson, Freddie Jordan, and Sidney Tucker. Eunice Miller represented the school as "Miss Odell Hi" in the Concord and Kannapolis Christmas Parades.

Nearing the close of school, the marshals were chosen. Joye Hudson and Priscilla Wilkinson shared the title of chief, with Eddie Ballard, Brenda Benton, Madalene Fisher, Linda Winecoff, Jane Carriker, and Susan Poston, assisting.

On May 2, the juniors said their farewells to the seniors with a memorable banquet in the school cafeteria. We chose "Oriental Gardens" as the theme and it was carried out through the entire evening.

Finally, after much hard work, our senior year arrived. Mrs. Louise Morrison and Mr. Carl Cathey were to be our class sponsors. This year Priscilla Wilkinson was elected president of the class; Billie Smith, vice president; Louvina Barbee, secretary; and Bobby Cope, treasurer.

Immediately, work was begun on the yearbook and the school newspaper. At the close of the previous school year, Joye Hudson and Bobby Cope were chosen as co-editors of the annual. Linda Winecoff and Monty Laney were business managers, and Brenda Benton and Madalene Fisher, circulation managers. Those chosen for the newspaper staff were: Priscilla Wilkinson, editor; Shirley Barbee, feature editor; and Sidney Tucker, business manager.

At our first class meeting the remainder of the two staffs were elected. Those chosen for the annual staff were: Freddie Jordan, snapshot editor; Louvina Barbee, Susan Poston, and Susie Smith, typists. The remainder of the newspaper staff consisted of Susan Poston, sports editor; Jane Irvin, stylist; Linda Winecoff, artist; and Louvina Barbee, mimeograph operator. Mrs. Louise Morrison was our sponsor for both the yearbook and the newspaper with Mrs. Augusta Stough, Mrs. Hansel Harry, and Mrs. Norma Bost assisting with the newspaper.

Throughout the year, special class meetings were called in preparation for graduation. For our mascots we chose Vicki Irvin and Kenneth Mesimer. The class night exercises were also planned. Jane Irvin was elected as class poet; Shirley Barbee, historian; Billie Smith, class prophet; Brenda Benton and Monty Laney, giftorians; Hope Hinson and Jerry Irvin, class lawyers; Sidney Tucker, class grumbler.

This year, Shirley Barbee was the only senior to be tapped into the Beta Club. Chosen as our "Miss Hi Miss" was Priscilla Wilkinson. Priscilla also was awarded the D. A. R. "Good Citizenship Award."

Class Prophecy

Here it is 1979! I just can't believe how the years have flown by. Being the manager of an old maid's home, I am always running into my old school pals. All of them have been successful in their occupations. Just the other day, BARBARA HUTCHINS, who is the owner of the old maid's home, and I were talking about how unbelievable it is that EDDIE BALLARD is running for President of the United States. His opposing candidate, the honorable BOBBY COPE, is really putting up a tough fight. I guess you've heard about the former President, SIDNEY TUCKER. He was impeached for flirting with the Congress women.

I received a letter from BETTY LOU FREEZE yesterday. She and JEWEL KEE are hostesses for American Airlines. She told me a lot about their exciting experiences, and that they met ERNESTINE JOHNSON, the famous Hollywood actress, on one of their recent trips. JOYCE MEASIMER is the owner of the airlines where they work. She also owns the New York Missile Plant where GREGORY BALL is a jet pilot. His most recent exploit was a trip to the moon.

HENRY BARBEE owns a bachelors' home which is just across the street. He dropped in this morning for a cup of coffee and to tell us that JERRY IRVIN has a new baby boy. Now he is the happy father of seventeen lovely children. But you will really be shocked to hear that ROY KEE has him whipped with a grand total of twenty-six. He reads a scene from "Macbeth" every night for a bedtime story.

I heard on the radio this morning that BRAD PATTERSON, who was a famous cattle raiser in Montana, has resigned from his work to become an undertaker. He is already out searching for business.

I read in the morning newspaper that a famous scientist, SUSAN POSTON, has discovered a vaccine that will cure all diseases. Her assistant, HOPE HINSON, was a missionary in Africa for twelve years. They are now working on a formula to cure Hope's wiggle.

TED LYLES is announcer for CBS Television. He announces for The FREDDIE JORDAN Show which is the most popular show on television. Last week I was surprised to see LOUVINA BARBEE, the famous opera singer. She has performed in over thirty-four countries. PRISCILLA WILKINSON has taken Ray Bloch's place as orchestra leader. She recently performed for the Inauguration Ball at the White House.

My old friend, PAT ERVIN, dropped by the old maids' home last night. I was certainly surprised to learn that she now owns both the Willis and Starlite Drive-Ins. She doesn't allow anyone in but Odell students. She told me that SUZAN BABB recently bought Concord's top entertainment spot, Frye's Lake and Skating Rink. She operates her business on the same basis.

I received a letter from JANE IRVIN today. She and SUSIE SMITH are surgeons at John Hopkins Hospital in Baltimore. LINDA WINECOFF, a famous horse racer, recently sued them for extracting her appendix instead of her tonsils. Linda, by the way, was the first woman ever to win the Kentucky Derby. MILDRED SIDES and PAT FOSTER are now the two most highly reputed psychologists in the United States. Their offices are in New York City. And to think, these two girls were merely Odell High School graduates.

EUNICE MILLER is the owner of a celebrated beauty salon. She told me that GEORGE STARNES and MONTY LANEY, stars of "Have Gun Will Travel," were always getting the word salon confused with saloon. But anyway, Eunice has a lot of business.

CHARLES TILLEY is now teaching ballet at June Taylor's School of Dance.

BRENDA BENTON dropped by to see us the other day. She is an English Professor at Wake Forest College. She said that she never gives tests or issues report cards. MADALENE FISHER, a multi-millionaire, gives free scholarships to anyone who asks for them.

MAX FORTNER is now earning fame as the fat man of a local circus.

JOYE HUDSON is the owner of the Glamor Shop in Concord. In fact, she owns fifteen stores throughout North and South Carolina.

SHIRLEY BARBEE and PATY FLOYD are world-famous models. They have modeled in France, Germany, and the United States. They got their start at Waggoner's School in New York, owned and operated by ANN WAGGONER. PEGGY TROUTMAN operates a large horse ranch in Texas. She also owns over twenty-five Texas oil wells.

BETTY JEAN SCOTT won the 1979 title of "Homemaker of the Year." She is living now with her husband and three children in Oklahoma.

FRANCES FORTNER is working as an agent for the F.B.I. I heard that she got her ambition to do this by going to court every week at school.

JANE CARRIKER came by to see us the other day. She is teaching professional wrestling in Hollywood, California.

Goodness! I've been sitting here for over an hour. I really must get back to my duties as manager of the old maids' home. It's almost time for my knitting class!
